PEOPLE / PLACES / GOOD SPIRITS

OUR STORY

PEOPLE / PLACES / GOOD SPIRITS.

Dorothy Black was a special kind of person, the warmth of any room. She loved nothing more than a good blend of people, of family, of friends all in one place, laughing together with a drink in hand whilst fondly reminiscing over the best times when life was a little more simpler.

Today, we craft a collection of exceptional spirits in her honour. Each one is inspired by the same values she lived by – quality, generosity and a love of bringing people together. From the rugged landscapes of Scotland to the vibrant corners of the world, our range celebrates the people, the places and the good spirits that make life brighter.
